KEY CONTROL

MINETEC
SMART MINING

KEY CONTROL

▶ **Biometric Fingerprint Authentication**

▶ **License Eligibility Check for Operators**

▶ **Medical Expire Date Check**

▶ **Induction Expire Date Check**

▶ **Ignition Control**

If the operator's conditions are appropriate, this control system, which is integrated with the vehicle computer, will allow the vehicle to start. In case of nonconformity, the vehicle will not be operational.

Device	Cloud Server	Control Room	Mobile
